

BROCKVIEW'S KIDS CLUB BUS POLICY

October 2023

We have made some strategic changes to our bus policy this year. All Clubbers using the bus as transportation to and from Kids Club are required to have a **signed registration form with them the first time they use the bus service**. Clubbers will not be permitted to ride the bus until we have a signed registration form in our possession. Clubbers living in the 59 Rykert St. Complex are also required to **submit a completed Drop Off Procedure Form** which is located at the bottom of this letter. Please communicate the choices you have made to your child. A completed **DROP OFF PROCEDURE FORM is required** to gain access to the bus the very first time it is used by a clubber living in the 59 Rykert St. Complex. Clubbers living at the 59 Rykert St. Complex will be picked up at 5:55 p.m. and dropped off at 7:45 p.m. in front of The Community House, Unit 92, 59 Rykert Street.

The safety of your children is a priority. We appreciate your support and cooperation with the changes we have made.
